AUTHORIZATION FOR MEDICAL TREATMENT & ASSUMPTION OF PERSONAL RESPONSIBILITY

This health history is correct so far as I know. I understand that participation in EHOS programs is entirely voluntary. I understand that the EHOS program may involve: boating (by canoe, sail and/or motor), swimming, hiking, fishing and/or activities that involve periods of physical exertion, balancing, lifting, pushing, pulling and climbing. I know and understand the inherent risks and dangers involved in the above-named activities and recognize that at EHOS most activities will be outdoors where I will need to watch for slippery and/or uneven footing, limbs and branches, animals and possible exposure to extreme weather. I understand that although EHOS will take reasonable precautions, it is impossible to guarantee absolute safety, and that unanticipated dangers might arise. I hereby release EHOS from any responsibility for injury which might occur as a result of participation in EHOS activities. I give permission to authorize personnel to carry out such emergency diagnostic and therapeutic procedures as may be necessary for me, and also permit such treatment procedures to be carried out at, and by the local hospital(s) for me in the event of an emergency. I understand that any medical expenses beyond the limits of EHOS' participant medical coverage will be billed directly to me or my insurance company. I understand and accept my responsibility to comply with all instructions and guidelines given by EHOS staff. I also agree to inform EHOS staff if, at any time, I have a medical or psychological problem that might affect the safe conduct of the program.
